Following a top-10 national finish during the cross country campaign, the Razorback track and field team opens its season Jan. 11 in a dual meet with Texas in Fayetteville. Head coach Chris Bucknam is in his fifth season at the helm of the track and field program with the help of assistant coaches Doug Case and Travis Geopfert. Dating back to the 2011 SEC Outdoor Championships, Arkansas enters the track and field season as the winner of five consecutive SEC competitions.

With its current roster, Arkansas features 14 returning All-America performers from a season ago including defending NCAA indoor pole vault champion Andrew Irwin and three-quarters of its national champion 4x400-meter relay team with Neil Braddy, Akheem Gauntlett and Marek Niit. The Razorbacks will also have Olympians Niit (Estonia) and Raymond Higgs (Bahamas) who represented their countries.

The Arkansas sprints and hurdles crew will also be bolstered by seniors Caleb Cross and Travis Southard. Cross was the SEC champion in the 400-meter hurdles last season and was part of the Razorbacks' 4x100-meter conference title. Southard earned a pair of All-America honors last season with the distance-medley relay and for his qualifying duties with the 4x400-meter relay.

Moving up to its middle- and long-distance runners, Arkansas will benefit from the All-American status of Eric Fernandez, Anthony Lieghio, Leoman Momoh and Patrick Rono. Fernandez was an All-American during the 2011 cross country season and SEC champion at 10,000 meters last season. Lieghio, Momoh and Rono were all members of the distance-medley relay at the indoor national meet. Rono was the 2012 SEC Freshman Runner of the Year for the indoor season.

In multi-event competition, Kevin Lazas and Gunnar Nixon enter the season after indoor and outdoor All-America performances last year. Lazas, the SEC champion in the decathlon last year, turned in a pair of third-place national finishes in 2012 and is also the school-record holder in the 10-discipline event. Nixon, the school-record holder in the heptathlon, was fifth in the decathlon at the NCAA Championships and added victories at the USA and World Junior Championships during the summer.

Irwin is one of three All-Americans among the Razorbacks' field contingent. He is joined on that list by Higgs and Noah Kittelson. Higgs was the SEC outdoor champion in the long jump and finished third at the national meet. Kittelson made his first NCAA appearance last season in the high jump. Arkansas will also regain the services of four-time All-American Tarik Batchelor who redshirted last season.

For a second-consecutive season, the Razorbacks' recruiting class received a top-10 ranking by Track & Field News and was ranked sixth in the publication's annual report. Overall, this year's freshmen and transfer group includes Lane Austell (multi events), Kemoy Campbell (distance), Christian Heymsfield (distance), Eric Janise (sprints), Jar-rion Lawson (jumps), Ken LeGassey (jumps), Aidan Swain (distance), Cale Wallace (distance), Tevin Whitney (middle distance) and David Wren (sprints).

Arkansas has already seen the benefits of Campbell and Wallace during the cross country season during the fall semester. Campbell ran to All-America honors at the NCAA Championships with a 17th-place finish and earned All-SEC and all-region honors. Wallace was the SEC Freshman of the Year for his efforts to helping the Razorbacks to a conference title.

Along with 11 home meets—six indoor and five outdoor—on its schedule, Arkansas will play host to the 2013 SEC and NCAA Indoor Championships. As always, Arkansas' home indoor meets will be held at the Randal Tyson Track Center while the home outdoor meets will be played out at John McDonnell Field

Arkansas and the Randal Tyson Track Center will host the SEC Indoor Championships for the seventh time, previously hosing the meet in

2000, 2002, 2005, 2008, 2010 and 2011. The indoor conference meet will be held Feb. 22-24 at the Razorbacks' home facility. Two weeks later, the Razorbacks will increase their national hosting duties to 11 with the NCAA Indoor Championships. The nation's best will compete March 8-9. Arkansas most recently hosted the national indoor meet during the 2010 season.

The outdoor postseason begins May 9-12 with the SEC Championships in Columbia, Mo., hosted by conference newcomer Missouri. With spots in the national meet on the line, the Razorbacks will then compete May 23-25 at the NCAA West Preliminary in Austin, Texas. The 2013 collegiate season will conclude June 5-8 with a trip to Eugene, Ore., for the NCAA Championships.

With an emphasis on team scoring and head-to-head competition, the Razorbacks will have six scored meets outside of the conference and national meets. Arkansas' scored home meets will be its annual dual with Texas (Jan. 11), Razorback Team Invitational (Jan. 25-26), John McDonnell Invitational (April 12-13), Arkansas Invitational (April 27). Another pair of scored meets will take place with the Texas State Quad in San Marcos, Texas (March 23) and dual meet with Oregon in Eugene (April 19-20).

Following the collegiate campaign, the track and field season continues June 19-23 with the USA Championships in Des Moines, Iowa. The world's best will then compete July 22-27 at the IAAF World Junior Championships in Eugene and Aug. 10-18 at the IAAF World Championships in Moscow.

## HEAD COACH CHRIS BUCKNAM

### FIFTH SEASON || NORWICH, '78

Head coach Chris Bucknam begins his fifth season at the helm of Arkansas Razorback men's cross country and track and field. Following 25 seasons at Northern Iowa, Bucknam was named Arkansas' head coach on June 27, 2008.

During the 2012 cross country season, Bucknam led the Razorbacks to their third-straight SEC title and was named the league's Coach of the Year, also for a third time. Dating back to the 2011 SEC Outdoor Championships, Arkansas has won five consecutive SEC competitions. Bucknam increased his SEC haul to nine league titles. In pacing the team to a top-10 finish at the NCAA Championships, Kemoy Campbell became the fifth cross country All-American under Bucknam.

In 2011-12, Bucknam guided the Razorbacks to the program's 13th SEC Triple Crown and the first under his watch. For his part, Bucknam was named the SEC Coach of the Year for the cross country, indoor and outdoor seasons. He also saw Eric Fernandez earn All-America honors during the cross country season.

Arkansas' 2012 success extended to the national stage with a pair of top-10 NCAA results at the indoor and outdoor track and field meets. The Razorbacks were second at the NCAA Indoor Championships and capped the collegiate season with an eighth-place showing at the NCAA Outdoor meet.

During the year, the Razorbacks captured NCAA indoor titles in the pole vault with freshman Andrew Irwin and in the 4x400-meter relay with Marek Niit, Akheem Gauntlett, Ben Skidmore and Neil Braddy.

For the second time in three years, Bucknam and the Razorbacks won two of the three SEC Championships with the team's efforts in 2010-11. Arkansas began the championship season with a victory at the 2010 SEC Cross Country Championships, the first such league title for the Razorbacks under Bucknam. The team went on to win its second SEC title of the year with top honors at the 2011 SEC Outdoor Track and Field Championships.

On the national level, the Razorbacks finished 10th at the NCAA Cross Country Championships, their highest finish under Bucknam's watch, and earned two All-America selections with Dorian Ulrey and Solomon Haile. Arkansas picked up another top-10 national finish with its team performance at the 2011 NCAA Outdoor Track and Field Championships.

Propelled by five event titles, including two from Ulrey, and two runner-up finishes, the Razorbacks won the team title at the 2010 SEC Indoor Championships.

Ulrey was named the 2010 SEC Indoor Runner of the Year and Bucknam was named the 2010 SEC Indoor Coach of the Year, both for the second-straight season. Ulrey, the 2010 NCAA Indoor South Central Region Runner of the Year, and Bucknam, the 2010 NCAA Indoor South Central Region Coach of the Year, were also honored for the second-straight season.

Ulrey's outstanding season started with a sixth-place finish and All-America honors at the 2009 NCAA Cross Country Championships. In his first season as head coach, Arkansas student-athletes won 10 SEC individual titles and earned 16 All-America honors.

Since joining the SEC in 1992, the Razorbacks have the only two coaches--Bucknam and John McDonnell--to earn top coaching honors during their respective first seasons in the league. Bucknam also joins McDonnell as the only head coach, since 1992, to sweep the SEC Indoor and Outdoor Coach of the Year honors in the same season.

At the 2009 SEC Outdoor Championships, Arkansas student-athletes picked up six individual titles: Bailey (high jump and long jump), Shawn Forrest (5,000 meters), MacPherson (3,000-meter steeplechase), Alex McClary (800 meters) and Ulrey (1,500 meters). Doug Case enters his fifth season as an Arkansas assistant coach, charged with the Razorback sprinters, relay teams and pole vault. The 2012-13 season will be his 21st coaching at the collegiate level.

Under Case's watch, the Razorbacks made their national mark with NCAA indoor titles in the pole vault with freshman Andrew Irwin and in the 4x400-meter relay with Marek Niit, Akheem Gauntlett, Ben Skidmore and Neil Braddy. Both wins represented program firsts.

During the course of the 2012 season, Case's athletes won five conference titles with Irwin doubling indoor and outdoor, Niit winning the indoor 200-meter title, Caleb Cross taking the 400-meter hurdle crown and the Razorbacks' 4x100-meter relay running to first place.

Their work was recognized as Irwin was named the SEC Field Athlete of the Year for the outdoor season, SEC Freshman Field Athlete of the Year for the indoor and outdoor seasons and USTFCCA South Central Region Field Athlete of the Year for the outdoor season; Cross was voted the SEC Outdoor Runner of the Year; and Gauntlett earned USTFCCA Track Athlete of the Year accolades for the indoor season.

Case also oversaw the emergence of the Razorback relays. Arkansas won its first-ever SEC indoor title in the 4x400 relay with the foursome of Niit, Ben Skidmore, Chris Bilbrew and Neil Braddy in 2011. That same group finished third at the NCAA Indoor Championships for the program's highest finish in the event since 1987. At national outdoor meet, the Razorbacks' 4x400 relay finished fifth for Arkansas' first All-America status in the event since the 2000 season.

Case's work did not go unnoticed as he was named the U.S. Track and Field and Cross Country Coaches' Association (USTFCCA) South Central Region Men's Assistant Coach of the Year.

Cross was Case's biggest success story of 2010. The freshman from Newport, Ark., earned All-America honors in the 60-meter hurdles indoors and competed in the 4x100-meter and 4x400-meter relays, indoors and out.

During the summer months of 2010, Cross won the USA Junior title in the 110-meter hurdles with a time of 13.64. He earned a spot on Team USA at the World Junior Championships, in Moncton, New Brunswick, Canada.

In his first season in Fayetteville, Case's student-athletes earned two All-America honors, an NCAA Midwest 800-meter title, seven Midwest All-Region honors, an SEC Indoor title and four All-SEC honors.

As UNI's assistant coach, Case's sprinters and pole vaulters earned 43 All-America honors, including national championships in the 800 meters and the pole vault, and 68 NCAA Division I national meet qualifiers. UNI sprinters and vaulters dominated the Missouri Valley Conference over the last eight years, crowning 97 individual and relay conference champions. At the 2008 NCAA Indoor Championships, UNI's Tyler Mulder took the half-mile title with a time of 1:49.20.

When it comes to the pole vault, Case built UNI into a national leader in the event. He developed three of the greatest vaulters in MVC history in Jacob Pauli, Andre Poljanec and Jarno Kivioja, a trio that claimed 12 MVC championships and eight All-America honors from 1999 to 2007.

Both Pauli, who claimed the pole vault NCAA title at the 2001 NCAA Indoor Championships and Poljanec competed at the 2007 IAAF World Championships in Osaka, Japan. Pauli, who owns UNI's indoor and outdoor school records, also took third at the 2007 USA Outdoor Nationals.

Under Case's guidance, UNI vaulters claimed five of his last eight MVC titles, both indoors and outdoors. In 2007, the Panthers finished 1-2-3 and took four of the top five spots in the MVC indoor pole vault and then claimed four of the top six spots at the outdoor conference meet. Kivioja claimed his second straight Missouri Valley indoor title, while Poljanec took the outdoor crown for the third consecutive season.

Poljanec earned the third All-America honor of his career at the NCAA Indoor Championships and was the nation's No. 1-ranked vaulter outdoors heading into regional competition. Kivioja concluded his career with a berth in the NCAA Outdoor Championships.

In all, Case's sprinters set school records in 10 events since 2001, including the 7.81-second effort by Jarrel Anderson in the 60-meter hurdles in 2007. He also guided Dirk Homewood to a career that included four All-America honors and school records in the 200 meters and 400 meters, both indoors and outdoors.

Prior to his return to UNI, Case spent three seasons as the men's head coach at Drake University. Under his guidance, Drake set three school records during the indoor season and its distance medley relay team placed ninth at the NCAA Championships.

Before coaching at Drake, Case served as an assistant coach at Arkansas State where, during his tenure, ASU's men's and women's programs won nine Sun Belt Conference titles. At ASU, Case was responsible for recruiting 52 outdoor and 49 indoor individual conference champions. His recruiting classes included 39 NCAA Division I national qualifiers, four All-Americans, seven Olympic Trials qualifiers and three Olympians.

A former UNI standout as a sprinter, Case established eight school records between 1982 and 1986 and was an all-conference performer in the Mid-Continent Conference. He was a member of the school record-setting outdoor 4x100-meter, 4x200-meter and 4x400-meter relay teams, as well as the indoor 4x400-meter relay. Individually, he twice placed second at the AMCU meet in the 100 meters.

A native of Marshalltown, Iowa, Case received his bachelor's degree from UNI in 1987 and then served as a graduate assistant with the Panthers in 1988 and 1989. He and his wife, Chris, have four children: Kelsey, Lauren, Cameron and Regan.

**ASSISTANT COACH  
TRAVIS GEOPFERT  
FOURTH SEASON || UNI, '02**

Travis Geopfert is in his fourth season as the Razorbacks' field events and multi-events assistant coach. He served as head coach of the men's and women's cross country and track and field programs at Northern Iowa during the 2008-09 season prior to joining the Arkansas staff.

Under Geopfert's watch, the Razorback multi-event competitors emerged on the SEC and NCAA level. Kevin Lazas and Gunnar Nixon both earned All-America honors in 2012 with Lazas winning the SEC title in decathlon, the first Razorback to accomplish that feat. In his first collegiate heptathlon during the indoor season, Nixon established the new world junior record with his performance of 6,022 points at the Razorback Invitational.

In addition to an SEC long jump title from Raymond Higgs, Geopfert's athletes scored 37 points at the 2012 SEC Outdoor Championships. The Razorbacks finished 1-2-3-6 in the decathlon. Nixon went on to win the decathlon at the 2012 World Junior Championships in Barcelona.

During his first season in Fayetteville, Lazas was a two-time All-American in the heptathlon and decathlon and set school records in both events. He was also the runner-up at both the SEC Indoor and Outdoor Championships in the combined events.

The success carried over into the summer season as Lazas went on to set the American junior record in the decathlon and win gold medals in the event at the 2011 USA Junior and Pan American Junior Championships. Long jumper Raymond Higgs, competing for his native Bahamas, won his nation's title and went on to compete at the 2011 IAAF World Championships in Daegu, South Korea.

In his first season with the Razorbacks, Geopfert coached long jumpers Alain Bailey and Batchelor to a 1-2 finish at the 2010 SEC Indoor Championships and first- and third-place finishes, respectively, at the 2010 NCAA Indoor Championships. Their best indoor marks of 26-9.75 and 26-6.5, respectively, ranked first and third in the NCAA and seventh and 11th in the world for the 2010 indoor season.

The success continued during the outdoor campaign with Bailey grabbing the SEC title with a personal-best and a then-world-leading jump of 27-4.75. Batchelor showed he is a dual threat with fourth-place finishes in both the SEC Indoor and Outdoor triple jump. He also earned NCAA bids in both indoor and outdoor campaigns.

Also during the 2010 season, Geopfert mentored professional athlete Joe Detmer to become the 66th decathlete in American history to score over 8,000 points. Detmer finished third at the USA Championships with a career-best point total of 8,009 points.

In the past seven seasons, Geopfert has coached three Division I and II National Champions, 13 student-athletes to 26 All-America honors, three academic All-Americans, 54 conference champions, 89 all-conference performers, 43 NCAA qualifiers, 43 NCAA outdoor regional qualifiers and 16 USA Championships qualifiers.

He was selected as the decathlon coach for the 2009 USA vs. Germany Thorpe Cup by USA Track and Field. Geopfert, with Mario Sategna of the University of Texas' men's track and field staff, lead Team USA's decathletes to a victory over Team Germany. Members of Team USA included three-time Olympian Tom Pappas, 2004 Olympian Paul Terek and three-time Thorpe Cup qualifier Detmer. Geopfert, himself, is a three-time participant in the Thorpe Cup (2003, 2005, 2006).

As UNI's head coach in 2008-09, Geopfert led the Panthers to the Missouri Valley Conference Indoor and Outdoor team titles and was named the 2009 MVC Indoor and Outdoor Coach of the Year. During his time as head coach, Geopfert's student-athletes earned four All-America honors and captured 18 MVC event titles. In 2009, Geopfert coached eight NCAA and 15 regional qualifiers, in addition to five student-athletes who competed at the 2009 USA Championships.

The UNI men's team swept the 2009 MVC Outdoor awards with Geopfert winning MVC Coach of the Year, Cory Goos winning MVC Track Athlete of the Year, Mat Clark earning MVC Field Event Athlete of the Year and Terrance Reid named the MVC High Point Scorer. In 2008, Geopfert was named the USTFCCA Midwest Region Men's Assistant Coach of the Year.

He coached five-time All-American Raven Cepeda to the No. 7 all-time NCAA heptathlon score. Cepeda was ranked 12th in the world in 2008. He currently holds the MVC and school records in both the heptathlon and decathlon. He was named the MVC Athlete of the Year four times during his career. Cepeda was also a two-time NCAA Midwest Region Field Event Athlete of the Year.

Under Geopfert's guidance, Cepeda became the first MVC student-athlete to win four indoor heptathlon titles. Additionally, Cepeda won three-straight MVC outdoor decathlon titles.

At the 2008 NCAA Indoor Championships, UNI was the only school to qualify two athletes for each of the multi-event competitions. Cepeda and Mat Clark each earned All-America honors in the men's heptathlon, while Dani Stipe and Olimpia Nowak both competed in the women's pentathlon. Additionally, UNI also boasted two competitors in the men's high jump competition with Ehi Oamen finishing third.

Additionally, Geopfert coached three of the 19 decathletes at the 2008 USA Olympic Trials in Cepeda, Clark and Detmer.

Prior to his return to UNI, Geopfert served as assistant track and field coach at Central Missouri. During the 2003 indoor season, Geopfert's athletes scored 25 points at the NCAA Championships, including NCAA titles in the high jump and triple jump.

During his time as a student-athlete at UNI, Geopfert was an All-American and a three-time MVC Champion. During his post-collegiate career, he was a two-time Drake Relays decathlon champion, a three-time member of the U.S. vs. Germany decathlon duel team and a six-time USA Championships decathlon qualifier.

Originally from Panora, Iowa, Geopfert earned his bachelor's degree from UNI in 2002. He, his wife Nicole and son Jones, reside in Fayetteville.

# 2012 REVIEW

**Razorback Olympians:** A total of seven current and former Arkansas stand-outs represented their respective countries at the 2012 Summer Olympic Games in London. That list featured Raymond Higgs (Bahamas), Marek Niit (Estonia), Alistair Cragg (Ireland), Tyson Gay (USA), Jeremy Scott (USA), Wallace Spearmon, Jr. (USA) and Samuel Vazquez (Puerto Rico). Running the third leg of the USA's silver performance in the 4x100-meter relay, Gay earned his first career Olympic medal.

**Nixon Goes International:** Having won the US junior title in the decathlon, Gunnar Nixon won the event gold medal at the IAAF World Junior Championships in Barcelona. He set the American junior record using junior implements with his total score of 8,018 points. The win by Nixon represented the first-ever decathlon medal by the USA at the World Junior Championships.

**Another Top-10 National Finish:** The Razorbacks closed out the NCAA Outdoor Championships with 26 points and an eighth-place finish in Des Moines, Iowa. Arkansas' finish marked the highest outdoor showing under head coach Chris Bucknam. The team's points came from third-place finishes by Raymond Higgs in the long jump, third- and fifth-place results from Kevin Lazas and Gunnar Nixon in the decathlon, seventh-place showings from Akheem Gauntlett at 400 meters and Duncan Phillips and a pair of sixth-place finishes in the 4x100m and 4x400m relays.

**USTFCCCA Outdoor All-Americans:** The Razorbacks collected 18 All-America honors from the U.S. Track and Field and Cross Country Coaches Association (USTFCCCA). Along with Boyer, Kyle Dunn, Brede Ellingsen, Nathanael Franks, Scott Gillespie, Noah Kittelson and Duncan Phillips were also named to the USTFCCCA All-Academic Team.

**Who Made It:** Arkansas collected eight national qualifiers at the NCAA West Preliminary in Austin, Texas. Combined with its three entries in the decathlon, Arkansas had 11 scoring opportunities at the NCAA Championships. The Razorbacks had the fifth-largest group of qualifiers in the NCAA.

**Irwin Selected by USTFCCCA:** In recognition of his standout freshman campaign, Andrew Irwin was voted the USTFCCCA South Central Region Field Athlete of the Year. He had just completed his sweep of the SEC pole vault titles with an American junior record performance at the conference outdoor meet in Baton Rouge, La.

**Awards Collection:** With the release of the year-end conference honors, Chris Bucknam was named SEC Men's Coach of the Year, Caleb Cross was the SEC Men's Runner of the Year and Andrew Irwin was voted the SEC Men's Field and Freshman Field Athlete of the Year. The award was Bucknam's third outdoor SEC honor and eighth overall. Cross is the program's second Runner of the Year since the award's inception in 2004. Arkansas had 17 All-SEC accolades with eight first-team, four second-team and five all-freshman performers.

**SEC Triple Crown:** Coupled with its victories at the cross country and indoor meets earlier this year, Arkansas completed the program's 13th SEC Triple Crown with its win at the SEC Outdoor Championships in Baton Rouge. The triple crown was the Razorbacks first under head coach Chris Bucknam, 13th since joining the SEC in 1991 and 22nd overall dating back to the team's time in the SWC. Arkansas' last previous triple crown was in 2007-08.

**Recapping the SEC Outdoor Championships:** Behind eight event titles and 196 points, Arkansas won the 2012 SEC Outdoor Championships in Baton Rouge, La. The victory completed the program's 13th SEC Triple Crown and secured the 17th SEC outdoor team title. It was the third outdoor crown in four years for head coach Chris Bucknam. Dating back to last year's SEC outdoor title, Arkansas had won the last four SEC competitions.

**The Champions:** Over the course of the four-day meet, Arkansas won event titles in the 1,500 meters with Duncan Phillips, 5,000 meters with Lane Boyer, 10,000 meters with Eric Fernandez, 400-meter hurdles with Caleb Cross, pole vault with Andrew Irwin, long jump with Raymond Higgs, decathlon with Kevin Lazas and the 4x100-meter relay. The Razorbacks' title collection is their largest at an SEC meet since the 1998 team also won eight events.

**High-Point Man:** Caleb Cross was the recipient of the 2012 Commissioner's Trophy as the highest-scoring individual in the men's competition. He finished the meet with 18.5 points based on his win in the 400-meter hurdles (10 points), third-place finish in the 110-meter hurdles (six points) and first-place result with the 4x100-meter relay (2.5 points). He is the second Arkansas runner in as many years to win the award (Dorian Ulrey, 2011). Overall, Arkansas has had the high-point scorer nine times in SEC competition.

**Fantastic Four:** In Arkansas' return to the Drake Relays, the 4x200-meter relay team of Neil Braddy, Marek Niit, Ben Skidmore and Akheem Gauntlett posted a time of 1:22.27 to capture the Razorbacks' first of two weekend titles. The Razorbacks' win snapped a five-year hold on the 4x200-meter relay at Drake Relays by Baylor. Arkansas' time of 1:22.27 is the third fastest in school history and gave the program its first-ever title in the event at Drake Relays. The same quartet returned to track in the weekend's final event to turn in a time of 3:02.47 in the 4x400-meter relay, also good for the third-fastest performance in Arkansas track and field history.

**Nixon Earns SEC Recognition:** Competing in his first collegiate decathlon, Nixon totaled 7,660 points to finish in fourth place—third among the collegiate competitors—at the Mt. SAC Relays. For his effort, Nixon was named the SEC Co-Field Athlete of the Week.

**Freshmen in the Desert:** Kyle Dunn and Andrew Irwin emerged from the Arizona State Tri-Meet with victories in the 400-meter hurdles and pole vault, respectively. Dunn's time of 51.37 was the fastest by a Razorback since the 2004 season, while Irwin's win was his fourth in a row and helped him garner SEC Field Athlete of the Week honors.

**Raising the Bar:** In his first competition since winning the NCAA indoor title, Andrew Irwin opened his outdoor campaign with a school-record performance in the pole vault at the Arkansas Spring Invitational. He finished the day with a school-record clearance of 5.60m/18-4.5, eclipsing the previous mark of 5.55m/18-2.75 set by Jeremy Scott in 2004. Irwin now owns the indoor and outdoor school marks in the event. He was named the SEC Co-Field Athlete of the Week and Freshman of the Week for his performance.

**Triple Winner:** Marek Niit began his outdoor season with three wins at the Arkansas Spring Invitational. Individually, he won the 100 meters in a wind-legal personal best of 10.19. The time also sets the national record for his native Estonia. Niit was also part of Arkansas' wins in the 4x100 and 4x400 relays.

**World's Best:** Arkansas had three top-10 marks on the world performance list for the 2012 indoor season. The Razorbacks' 4x400-meter relay had the world's fastest time of 3:03.76, while Akheem Gauntlett (20.62) was the sixth-fastest in the world at 200 meters and Gunnar Nixon (6,022 points) was ranked ninth in the heptathlon.

**Irwin Added to Bowerman Watch List:** On the heels of winning the NCAA pole vault title, Andrew Irwin was added to the March 14 update of The Bowerman Watch List.

**National Runner-Up:** Arkansas came away with a second-place team finish at the 2012 NCAA Indoor Championships in Nampa, Idaho. The Razorbacks scored 47 points with the help of a pair of NCAA event titles from Andrew Irwin in the pole vault and 4x400-meter relay. The remaining points came from Akheem Gauntlett (second place, 200m), Kevin Lazas (third, heptathlon), Marek Niit (fourth, 400m), the distance-medley relay (fifth), Caleb Cross (sixth, 60m hurdles) and Gunnar Nixon (eighth, heptathlon).

**First Time for Everything:** Andrew Irwin won Arkansas' first-ever NCAA indoor title in the pole vault with this victory at the national meet. He did so in school-record fashion with a winning clearance of 5.55m/18-2.5. The Razorbacks continued the trend when the 4x400-meter team of Marek Niit, Akheem Gauntlett, Ben Skidmore and Neil Braddy (3:04.92) combined to become the program's first national champion--indoor or outdoor--in the event.

**USTFCCA All-Americans:** With a national runner-up finish at the NCAA Championships, Arkansas collected 16 All-America honors from the USTFCCA. The Razorbacks earned a nation-leading 14 first-team selections headlined by NCAA champions Andrew Irwin in the pole vault and the 4x400-meter relay team of Neil Braddy, Akheem Gauntlett, Marek Niit and Ben Skidmore.

**National Entries:** Arkansas had 10 entries at the NCAA Championships with eight individuals, two relays and eight events. The Razorbacks were tied for the second-most entries (10) at the national meet.

**Taking Advantage:** During the final weekend of qualifying, Arkansas took advantage with NCAA-qualifying efforts in the high jump and distance-medley relay. Noah Kittelson had a 2.22m/7-3.25 clearance to move into the No. 13 spot on the national list. The Razorbacks' DMR ran to a season-best time of 9:31.48 at Notre Dame, good for the eighth-fastest time in the NCAA. Neither entry would have qualified with their previous season-best mark.

**Regional Recognition:** As voted on by the region-specific coaches, Chris Bucknam was named the USTFCCA South Central Region Men's Coach of the Year, while Akheem Gauntlett was tabbed the South Central Region Men's Track Athlete of the Year. It was the third such honor for Bucknam.

**SEC Honors Bucknam, Freshman Hogs:** Following the team's victory at the SEC Indoor Championships, Chris Bucknam was named the SEC Men's Coach of the Year for the third time. Patrick Rono was voted the SEC Men's Freshman Runner of the Year while Andrew Irwin was selected the SEC Men's Freshman Field Athlete of the Year. The accolades for Rono and Irwin are the second each in program history.

**Indoor Champions:** Arkansas won the 2012 SEC indoor title at the Nutter Field House in Lexington, Ky. On the final day of competition, the Razorbacks collected four SEC event titles and finished the weekend with 151 points, 14 point clear of runner-up Florida. Arkansas has now won 18 SEC indoor team titles since joining the conference in 1991-92, tying Tennessee for the most in league history. The indoor win was the third under head coach Chris Bucknam.

**Title Wrap-up:** Arkansas' four SEC event titles came from Marek Niit in the 200 meters, Patrick Rono in the mile, Andrew Irwin in the pole vault and the foursome of Rono, Drew Butler, Scott Gillespie and Travis Southard in the distance-medley relay. As a program, the Razorbacks now have 94 SEC indoor event titles.

**Collective Honor:** For its effort during the USA Track & Field Classic broadcast on ESPN2, the 4x400-meter relay team of Marek Niit, Akheem Gauntlett, Ben Skidmore and Neil Braddy earned a collective SEC Men's Runner of the Week (Feb. 14). It was the second weekly honor of the season for Gauntlett who was recognized individually in January.

**Relay Posts World Leader:** In the final collegiate race of the weekend, Arkansas made its statement with a world-leading performance in the 4x400-meter relay. The team of Marek Niit, Akheem Gauntlett, Ben Skidmore and Neil Braddy combined for a time of 3:03.76. The time also represents the second fastest in NCAA history and the No. 11 relay time ever run. The Razorbacks finished just .25 off the collegiate record of 3:03.51 set by Florida in 2005.

**Tyson Track Lives Up to Reputation:** Playing host to the Tyson Invitational and USA Track & Field Classic, the Randal Tyson Track Center lived up to its billing as the world's fastest indoor facility. Over the course of two days, 16 student-athletes from around the country combined for 22 NCAA auto marks. The professionals took advantage, as well, with two new American records and five world-leading performances.

**Nixon Eclipses World Junior Record:** In his first collegiate multi-event competition, Nixon surpassed the world junior record in the heptathlon with 6,022 points, replacing the previous mark of 5,953 set by Michael Kohnle of West Germany in 1989. His mark also represents a 2012 world leader, American junior record, NCAA automatic-qualifying total, top mark in the nation this year and school record. Nixon is the only junior competitor—aged 20 and under—to score more than 6,000 points in the heptathlon.

**Awards Collection:** On the heels of his performance in the heptathlon at the Razorback Invitational, Gunnar Nixon added several honors to his collection. The freshman multi-event standout was named the SEC Co-Field Athlete of the Week, SEC Freshman of the Week and USA Track and Field Athlete of the Week. Nixon also earned spots on The Bowerman Watch List and *CollegeSports360* Primetime Performers Weekly Honor Roll.

**Dual Victory:** In the second meet of the season, the Razorbacks beat Texas, 89-81, in a dual meet at the Randal Tyson Track Center. The Razorbacks collected nine event victories capped by a school record from Andrew Irwin in the pole vault. Arkansas has won all three indoor duals with Texas since the series started in 2010.

In a re-dedication ceremony held Feb. 12, 2011, during the 2011 Tyson Invitational in Fayetteville, the Randal Tyson Track Center was recognized as "The Home of the Fastest Indoor Track in the World." The Razorbacks' home indoor track was resurfaced prior to the start of the 2011 track and field season.

In 2000, the Randal Tyson Track Center first opened on the University of Arkansas campus with the specially designed track, originally built by Mondo for the World Championships in Toronto, Canada. Since opening, the Razorbacks' home facility has played host to several world-class indoor meets, including six SEC Championships—most recently, the 2011 indoor conference meet—and 10 NCAA Championships.

Widely considered as the fastest indoor surface ever constructed, the Tyson track has been home to numerous world records, American records and an impressive 65 percent of all current NCAA Championship meet records. Arkansas will increase its number of national hosting duties to 11 with the 2013 NCAA Indoor Track and Field Championships which will be held March 8-9, 2013, in Fayetteville.

In its first year of operation, the \$8 million facility hosted the Tyson Invitational, a meet on the Golden Spike Tour, the 2000 Southeastern Conference Championships and the 2000 NCAA Indoor Championships. In 2001 and 2002, the Randal Tyson Track Center once again served as the host for the Golden Spike Tour's Tyson Invitational and the NCAA Indoor Championships.

During the 2003 season, three events were held at the state-of-the-art facility: the SEC West Challenge, the Tyson Invitational and the NCAA Championships. The 2004 campaign saw four exciting events take place at the Randal Tyson Track Center, including the Arkansas, Razorback and Tyson Invitational meets and the national championships.

The schedule was full in 2005 as the Arkansas, Razorback and Tyson Invitationals and the SEC and NCAA Championships were all held at the Tyson Track Center.

A new 36x20 custom video scoreboard system by Daktronics was installed in time for the 2005 NCAA Championships. It features a 23x13 video display screen with instant replay, electronic timing and scoring capabilities.

The track itself is a 200-meter, 60-degree banked track that has 55-meter straightways running the entire length of the facility. It also includes men's and women's jumping runways and pits. The surface of the track is red and gray Mondo and was repainted in 2003.

With all of the big name events that are held in the facility, the Tyson Track Center was built to handle the demands for the many media outlets. The press box is two-tiered offering 50 seats and has an announcer's booth. There are four elevated camera positions located around the track. A media room is also available in the north concourse.

Serving as the outdoor home to the most successful program in NCAA history, John McDonnell Field is one of the top outdoor track and field facilities in the nation. Named for legendary head coach John McDonnell, the winner of 40 NCAA national championships during his career at Arkansas, the facility will add to its list of competition duties with the recent announcement as the host of the 2014 NCAA West Preliminary.

The state-of-the-art competition areas include a nine-lane Mondo track, a grass infield as well as a full hammer cage and multiple throw areas. The pole vault and jumping pits are reversible and contain two sets of runways to accommodate multiple events. Capacity is currently set at 7,000 with the potential to hold 10,000 with additional construction.

John McDonnell Field played host to the 2006 Southeastern Conference Championships, the 2008 NCAA Mid-east Regional Championships, the 2009 NCAA Outdoor Championships, in addition to the annual John McDonnell Invitational. The 2006 SEC and 2009 NCAA meets were the first in what promises to be a long line of prominent events slated for the facility.

Legendary University of Arkansas cross country and track and field head coach John McDonnell announced his retirement on April 21, 2008 following 36 years, 40 NCAA championships and 84 conference titles.

McDonnell's 40 national titles are more than any coach in any single-gender program in the history of collegiate athletics. He won five national triple crowns, 21 conference triple crowns, 34 consecutive cross country conference championships, including 17 straight in the Southeastern Conference, and has been named national, regional or conference coach of the year a total of 140 times.

From County Mayo, Ireland, McDonnell became head cross country coach of the Razorbacks in 1972, and head track and field coach in 1977-78. Since 1984, he won 19 national championships in indoor track, 10 in outdoor track and 11 in cross country. Since 1984, a total of 69 national titles have been awarded in those three sports, and McDonnell's teams won all but 29 of them.

His five national triple crowns came in 1984-85, 1991-92, 1992-93, 1994-95 and 1998-99; his 84 league titles include 46 in the SEC and 38 in the Southwest Conference, and a streak of 25 straight in all three sports from 1987-95; his 40 national championships include a string of 12 straight indoor titles from 1984-95, the longest streak of NCAA titles by any Division I school in any sport in collegiate history; and his teams have won at least one national championship in 21 of the last 26 years.

McDonnell, who earned his bachelor's degree from Louisiana-Lafayette in 1969, and coached at New Providence (N.J.) High School (1969-70) and Lafayette (La.) High School (1971) before coming to Arkansas, has won 16 more national titles than his next closest competitor (Pat Henry, LSU and Texas A&M), and only one other school, Texas-El Paso with three, has won a triple crown.

In addition to the championships, his list of honors includes membership in the halls of fame for National Track and Field, United States Track and Field and Cross Country Coaches Association (USTFCCCA), USA Track and Field, Arkansas Sports and Louisiana-Lafayette as well as the University of Arkansas Hall of Honor. Arkansas' 7,000-seat outdoor facility, John McDonnell Field, is named in his honor.

A 30-time national coach of the year, 50-time conference coach of the year and 62-time region coach of the year, he coached all but three of Arkansas' 187 All-Americans. Those student-athletes combined to earn 656 All-America honors.

He also coached 25 Olympians, including a gold, silver and bronze medalist, 103 NCAA individual event champions and 326 individual event conference champions.

McDonnell won 46 of a possible 51 SEC championships (90 percent), including the 2008 indoor and outdoor conference titles.

McDonnell, who coached former Razorback Daniel Lincoln to the American record in the 3,000-meter steeplechase in July 2006, has been national coach of the year 12 times in indoor track, 11 times in outdoor track and seven times in cross country for a total of 30 awards. He was also named the NCAA Midwest Regional Coach of the Year three of the five years it has been presented (2003-05).

His tenure at Arkansas began in 1972 coaching cross country and assisting Ed Renfrow with the track program. When Renfrow left coaching, former Athletic Director Frank Broyles promoted McDonnell in time for the 1977-78 academic year.

Not only does the University of Arkansas allow its student-athletes to compete in two sports, it encourages it. Arkansas' legendary track and field program has combined forces with the Razorbacks' tradition-rich football program to provide student-athletes a chance to compete in the nation's most competitive conference in multiple sports.

Most recently, two-sport standout Cobi Hamilton used his athleticism on the track and on the football field. During the 2010 season, Hamilton was a member of Arkansas' 4x100-meter relay that advanced to the NCAA Championships.

UA's most well-known two-sport star, and perhaps the greatest athlete in school history, is Clyde "Smackover" Scott. After a year of playing for the Naval Academy, he returned to Arkansas and helped the Hogs win the Southwest Conference football title in 1946 and was a consensus All-American in 1948. A NCAA champion in the 110-meter hurdles, he finished second in that event at the 1948 Olympics, winning a silver medal in London with a time of 13.7 seconds.

Offensive guard Tony Ugoh gave Arkansas strength in the throws department, helping rack up points in the weight throw at the 2006 SEC Indoor Championships.

Two-time All-American sprinter and cornerback Ahmad Carroll was the 25th pick of the first round by the Green Bay Packers in 2004. Flanker Richard Smith was a two-time All-American in the long and triple jumps as a Razorback and signed with Kansas City in 2004. Split end Tom Crowder (Dallas) and cornerback Eddie Jackson (Miami) were also taken in the 2004 NFL draft. Jackson was an All-American hurdler, while Crowder was a decathlete.
